Brain Tumors:
Diagnostic Imaging and Patient’s and Caregiver’s Response to the Diagnosis

Tuesday, May 14, 2019
Sunnyside Country Club
1600 Olympic Dr
Waterloo, IA 50701

Hosted by:

A non-profit 501(c)(3) organization founded in loving memory of Chris J. and Colleen K. Toneff and all those who have made an impression on our lives.
Patients and caregivers are often lost in the diagnosis of brain cancer due to the sophisticated diagnostic imaging and treatment programs. The course will educate the medical professional about types of diagnostic imaging and enable a better understanding of the plight of the patient and caregiver when diagnosed with brain cancer.

We invite you to attend an evening program to hear from two Cedar Valley physicians who will share with you these exciting advances in patient care!

**Intended Audience**

Physicians, RNs, LPNs, Radiologic Technologists, social workers, patients, caregivers, and interested public.

**Continuing Education**

This program has been approved for **2.25 Category A credits from the American Society of Radiologic Technologists**.

**Two Contact Hours** will be awarded by Hawkeye Community College Iowa Board of Nursing Provider #5. You must be present for the entire program to receive credit.

**Bag Sponsor**

Farmers State Bank

**Room Sponsor**

Hagarty Waychoff Grarup Funeral Service

**Gray Ribbon Sponsors**

NuCara Home Medical
